Giving Tree

The Seashore Point **Giving Tree** is on permanent display in the Seashore Point lobby. For an individual contribution of \$500 or more, donors can have an engraved brass leaf placed upon the tree in memory of a loved one, to honor a special person or in celebration of a special occasion. Families and friends can honor the memory of beloved spouses, parents, grandparents and children or honor lives of service and inspiration. Each leaf will represent a deeply moving story of those people that have touched our lives – both past and present. For more information about honoring someone through the **Giving Tree**, please call Dorene Glynn, Director of Development at 978-402-8270, or use the attached coupon. We welcome the opportunity to discuss other dedication and naming opportunities with you as well!
